ASK FOR REVIEW OF TOBACCO PLAN

Motion Made in Supreme Court on Behalf of Leaf Selling Concerns.

OPPOSED BY GOVERNMENT
Attorneys-General of Virginia and the Carolinas Join in Petition.

Washington, December 4.—The Supreme Court of the United States today took under consideration the application of the Leaf Tobacco Board of Trade of New York to have that tribunal review the reorganization plan of the American Tobacco Company. A decision is expected next Monday. The government opposed the motion.

The application for the petition was made by Felix H. Levy, representing the Leaf Tobacco Board of Trade of New York, which is composed of about seventy-five concerns engaged in the business of selling leaf tobacco to tobacco manufacturers. In the petition it was stated that the Attorney-General of Virginia, North Carolina and South Carolina joined in the request for a consideration by the Supreme Court of the reorganization plan.

The petition asked that the United States Circuit Court for Southern New York be required to vacate its recent decree approving the reorganization of the American Tobacco Company, which had been directed by the Supreme Court in its opinion last May, to disintegrate. Another prayer was that the Circuit Court be directed to send the case to the Supreme Court for review, and to allow the board to intervene as a party
